

REQUIRED RECRUIT/CADET ACADEMY CLOTHING

Although several academies require academy uniforms, many allow the recruits/cadets to purchase and bring their own fitness clothing. The Macon County Law Enforcement Training Center (MCLETC) requires all attire to be purchased through us and are confident our pricing can not be beat (considering the quality of the items). More importantly, we want to ensure we live up to the high standards your agencies demand and deserve. Our commitment to uniformity and appearance is essential in developing the best officer possible. We have negotiated our best rate with two local vendors and offer their pricing to each recruit/cadet and their sponsoring agency. In addition, the items are personalized and can be kept as a keepsake for each recruit/cadet.

- ✓ All students registered for any MCLETC basic corrections or law enforcement academy will be required to purchase the following items directly from the MCLETC (order forms attached):
 - academy uniform (this is in addition to the sponsoring agency's duty uniform) and
 - physical fitness attire conducive to the season
- ✓ The following two order forms, "Academy Uniform" and "Physical Fitness Attire", will need to be completed and returned by the due date. The pricing range for all clothing is based on the sizes ordered (larger sizes may be a little higher):
 - Academy Uniform:
 - three royal blue polo shirts with the MCLETC logo (left chest) and last name (right chest)
 - two pairs of black pants
